June 10th 2016

Dear Customer,

Following our recent change in ownership and to better distinguish our evolution towards a broader range of wafer processing services provider, Rockwood Wafer Reclaim is changing its name to OPTIM Wafer Services.

In the coming weeks you will see the following actions or changes.

- NEW LOGO : Will appear on Delivery notes, Invoices, Presentations, Business cards, Emails & Literature. (See below)
- EMAIL : The email address extension will change from xxxx@rockwoodwr.com to xxxx@optimws.com (xxxx will not change).
- WEB SITE : Our website address will change from www.rockwoodwaferreclaim.com to www.optimwaferservices.com
- Any existing actual orders or Price offer will be automatically transferred to OPTIM Wafer Services
- Please label your new orders to our new name, (NOTE - That our SIREN and VAT numbers will not change)

There will be a period of time to allow for any email communications using the previous name to be automatically transferred.

We are pleased to be able to serve you under our new name and identity which will give you more visibility to the services we are able to offer you and the industry in general.

Sincerely,

Georges Peyre
Sales & Marketing Director

Jean Christophe Millet
Site & Operations Director
